

## RAD Dive Club Rules

### Guests

1. Guests are welcome to attend general club meetings and events provided there is space available.
2. Guests may participate in club dives provided they are certified by a recognized training agency; guests must join the club to utilize any club benefits (free air fills, etc.)

### Safety

1. Each member is responsible for maintaining and using the following minimum equipment on all club dives:
  - a. BCD
  - b. Submersible pressure gauge or dive computer
  - c. Depth gauge or dive computer
  - d. Timing device or dive computer
2. The following safety practices are recommended for all club dives:
  - a. Using the buddy system
  - b. Using a dive computer
  - c. Having dive insurance
3. Club members are expected to follow safe and conservative recreational diving practices on all club diving events.
4. Please follow the posted rules and the requests of officials at any location where the Club is conducting an event.

### Conservation

1. All members and guests should be respectful of and sensitive to the underwater environment and its inhabitants. Members and guests should strive to maintain neutral buoyancy and be conscious of the positions of their gauges, fins, equipment, and bodies in the water while diving.
2. All members must pay all entry fees at local dive sites and parks where our diving activities take place, our goal is to support these areas both environmentally and economically.
